

Equicross ... a leading provider of quality safety, crowd, and traffic control equipment

EquiCross plastic chain is high quality non-load bearing chain, more attractive and of a higher quality and thickness than other plastic chain. Available in 4mm, 6mm, 8mm, or 10mm in most popular colors, multi-color combinations, simulated chrome, black chrome, and gold tone. Our elegant simulated chrome, black chrome, and gold chain looks real. EquiCross Plastic Chain is sold in bags and cartons. Large quantities of most colors and sizes of plastic chain are always in stock and usually ship the same day. We also carry plastic chain accessories such as snaps, repair links, s-hooks and c-hooks. We are so confident we offer the best plastic chain at the lowest price that we will meet or beat any other comparable advertised price - guaranteed. Plastic Chain dealers welcome.

Plastic Chain applications include: Displays, Crowd Control/Direction, Auto Shows, Trade Show Exhibits, Canine & Equestrian Shows, Lawn & Gardens, Parking Lots and more.
